

AesCtr\_Code\_Intel

```
graph LR; A[AesCtr_Code_Intel] --> B[AesCtr_Code]; B --> C[Aes_Encode];
```

The diagram illustrates a three-step process flow. It begins with a box labeled 'AesCtr\_Code\_Intel' on the left, which is shaded gray. A dark blue arrow points from this box to a second, white box labeled 'AesCtr\_Code' in the center. Another dark blue arrow points from the center box to a third, white box labeled 'Aes\_Encode' on the right. All three boxes are rectangular with black outlines and are arranged horizontally.
