```

The diagram illustrates a file dependency structure. At the top is a gray rectangular box containing the text 'src/platform/qt/IOViewer.h'. Below this box are two white rectangular boxes. The left box contains 'src/platform/qt/IOViewer.cpp' and the right box contains 'src/platform/qt/Window.cpp'. Two blue arrows originate from the top-right corner of the left box and the top-left corner of the right box, both pointing towards the bottom edge of the top box, indicating that both source files include the header file.
