

src/platform/qt/DisplayQt.h

```
graph BT; A[src/platform/qt/Display.cpp] --> C[src/platform/qt/DisplayQt.h]; B[src/platform/qt/DisplayQt.cpp] --> C;
```

A diagram illustrating a header file relationship. At the top is a gray rectangular box containing the text 'src/platform/qt/DisplayQt.h'. Below this box are two white rectangular boxes. The left box contains 'src/platform/qt/Display.cpp' and the right box contains 'src/platform/qt/DisplayQt.cpp'. Two blue arrows point from the top-right corner of the left box and the top-left corner of the right box towards the bottom edge of the top box, indicating that both source files include or depend on the header file.
