

GBVideoProxyRendererWrite
SGBPaket

```
graph LR; A[GBVideoProxyRendererWrite  
SGBPaket] --> B[mVideoLoggerWriteBuffer]
```

A diagram showing a call from a function to a buffer. On the left, a gray rectangular box contains the text "GBVideoProxyRendererWrite" and "SGBPaket" on two lines. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text "mVideoLoggerWriteBuffer".

mVideoLoggerWriteBuffer
