

src/platform/qt/Register
View.h

```
graph TD; A["src/platform/qt/Register View.h"] --> B["QMap"]; A --> C["QWidget"]; A --> D["memory"];
```

The diagram illustrates the dependencies of the `src/platform/qt/RegisterView.h` header file. It is shown as a central box with three arrows pointing downwards to three separate boxes: `QMap`, `QWidget`, and `memory`.

QMap

QWidget
