

src/platform/qt/PaletteView.h

```
graph BT; A[\"src/platform/qt/PaletteView.h\"] --> B[\"src/platform/qt/PaletteView.cpp\"]; A --> C[\"src/platform/qt/Window.cpp\"];
```

The diagram illustrates a header file inclusion relationship. At the top, a grey rectangular box contains the text 'src/platform/qt/PaletteView.h'. Below this box, there are two white rectangular boxes. The left box contains 'src/platform/qt/PaletteView.cpp' and the right box contains 'src/platform/qt/Window.cpp'. Two blue arrows point from the bottom of the top box to the top of each of the two bottom boxes, indicating that both source files include the header file.

src/platform/qt/PaletteView.cpp

src/platform/qt/Window.cpp
