

src/platform/qt/MapView.h

```
graph BT; MapViewCpp["src/platform/qt/MapView.cpp"] --> MapViewH["src/platform/qt/MapView.h"]; WindowCpp["src/platform/qt/Window.cpp"] --> MapViewH;
```

The diagram illustrates a header file relationship. At the top is a grey rectangular box containing the text 'src/platform/qt/MapView.h'. Below it are two white rectangular boxes: 'src/platform/qt/MapView.cpp' on the left and 'src/platform/qt/Window.cpp' on the right. Two blue arrows point upwards from the bottom-right corner of the 'MapView.cpp' box and the bottom-left corner of the 'Window.cpp' box, both converging on the bottom edge of the 'MapView.h' box. This indicates that both source files include the 'MapView.h' header.

src/platform/qt/MapView.cpp
