

mPSP2Teardown

```
graph LR; A[mPSP2Teardown] --> B[CircleBufferDeinit]; B --> C[free];
```

A flowchart illustrating a sequence of three operations. The first operation, 'mPSP2Teardown', is contained within a gray rectangular box. A blue arrow points from this box to a white rectangular box containing the second operation, 'CircleBufferDeinit'. Another blue arrow points from the 'CircleBufferDeinit' box to a third white rectangular box containing the operation 'free'. All boxes have a black border, and the arrows are solid blue lines with triangular heads.

CircleBufferDeinit
