

GBVideoCacheAssociate

QGBA::CoreController  
::graphicCaches

```
graph LR; A[QGBA::CoreController::graphicCaches] --> B[GBVideoCacheAssociate];
```

The diagram illustrates a pointer relationship. A box on the right, labeled 'QGBA::CoreController::graphicCaches', has a blue arrow pointing to a box on the left, labeled 'GBVideoCacheAssociate'. The 'GBVideoCacheAssociate' box is shaded gray, while the 'QGBA::CoreController::graphicCaches' box is white.
