

QGBA::MapView::selectMap

```
graph LR; A[QGBA::MapView::selectMap] --> B[QGBA::AssetView::updateTiles]
```

A diagram showing a call from the function `QGBA::MapView::selectMap` to the function `QGBA::AssetView::updateTiles`. The first function is in a grey box, and the second is in a white box. A blue arrow points from the first box to the second.

QGBA::AssetView::updateTiles
