

gzifstream::is_open

```
graph LR; A[gzifstream::is_open] --> B[gzfilebuf::is_open];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box has a light gray fill and a black border, containing the text `gzifstream::is_open`. The right box has a white fill and a black border, containing the text `gzfilebuf::is_open`. A solid blue arrow points from the right side of the left box to the left side of the right box.

gzfilebuf::is_open
