

GBADMAWriteDAD

```
graph LR; A[GBADMAWriteDAD] --> B[_isValidDMADAD]
```

A diagram showing a call from the function GBADMAWriteDAD to the function \_isValidDMADAD. The first box, GBADMAWriteDAD, is shaded gray and has a black border. A blue arrow points from its right side to the second box, \_isValidDMADAD, which is white with a black border.

\_isValidDMADAD
