

subjRequiresPage

```
graph LR; A[subjRequiresPage] --> B[sqlite3BitvecTestNotNull]
```

A diagram showing a dependency. On the left, a gray rectangular box contains the text 'subjRequiresPage'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'sqlite3BitvecTestNotNull'. Both boxes have a black border.

sqlite3BitvecTestNotNull
